TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

Upper Falls in Fairlie Glen. These falls have a singular mystery towards the early sunset of a winter's day. At this point the peculiar features of Fairlie Glen, its red soil, and its wind-swept heaps of beech leaves, are specially noticeable. The robin, "sweet harbinger of calm decay," warbles his lonely song from a branch above the burn, and the sun is tinging a few sprays with red light, while night is close at hand.
